- Initial mold charge - \$100 (V)
- Art/proof charge - \$35 (V) N/C if *vector art supplied.

Basic Standard Styles

Any frame style is available at no additional charge but should comply with state statutes. Frames with thinner top panels may be inverted as a "B" version with the larger panel on top.

***Vector art** is created in a vector based program such as Adobe Illustrator® or Corel Draw® and is comprised of outlined shapes. Vector files containing placed raster images (.jpg, .tif, .gif, .png, etc.) do not qualify as acceptable vector art and may incur an art charge. **Layout templates** are available at www.autoplate.net/templates.html
